

# INDIAN SOCIETY OF ANAESTHESIOLOGISTS

*Dear Sir / Madam,*

*Greetings from ISA NHQ.*

*Constitution Committee was formed in the 2013 AGBM by then ruling President Brig. T Prabhakar for the purpose of Amendments and improvements in our Constitution with incoming President Dr. SSC Chakra Rao as Chairman & Dr. B Radhakrishnan, Dr. J Ranganathan, Dr. Anjan Data and Dr. Bala Bande as members. But the Committee did not meet and could not give report to the GC and the AGBM on 28.12.2014. It was decided in the AGBM that the Committee members will meet in January at their own expenses, discuss the Constitution, take legal opinion and present in the 2nd GC Meeting at Ludhiana. Chairman Dr. SSC Chakra Rao said that if the Committee members fail to meet, he will prepare the Draft Constitution and present to the 2nd GC.*

*All GC members are requested to give their input to Dr. SSC Chakra Rao ( 9440176634 dr.chakraraoss@gmail.com ) before the 24th of this month and also disseminate this matter to the ordinary members and Office Bearers of ISA at City & State level so that they also can contribute.*

**regards,**

**Dr. Venkatagiri K. M.**  
**Hon. Secretary**
